

NEWFFLA Working Dog Obedience Workshop

Details

This workshop will be part discussion and part participation. Discussions will include CGC testing, bloat, heat stroke, hot spots, and pad burns. Ring Time will include name recognition, watch me, marker words, heeling, sit, down, stand, recall, and place. We will use the crate room and lobby for crates, the meeting room for discussions, and ring 2 for ring practice.

Needed for the workshop:

- Soft-sided or wire crate
- 6 ft leash (no retractable leashes)
- Flat, martingale, slip, or prong collar
- Water bowl
- High-value treats (something they love that they don't get all the time): We do have some good ones at the club for \$5 and \$10 if you need some.
- Treat Pouch (optional)
- Drool Rags
- The building is air-conditioned, but you may want a fan for your dog

Number of Participants: We will accept a Max of 16 dogs/handlers.

You are welcome to audit (observe) the workshop without a dog. Please let us know you are coming.

No Dogs In Heat Will Be Able To Attend

To Register for Workshop (with dog)

Complete the Registration Form AND Waiver.

To Audit Workshop (without dog)

Complete the Auditor Registration Form and Waiver.

We look forward to seeing you there.
